

**A. 16-Neuron and 256-synapse silicon SNN**

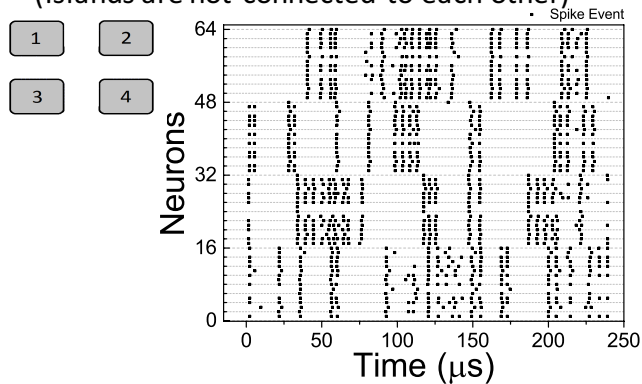

**B. 4 island of 16-neuron silicon SNN**

**C. Random mapping of the 16-neuron SNN**

**D. Raster plot of spiking activities**  
(Islands are not connected to each other)

**E. Raster plot of spiking activities**  
(Islands are connected to each other)
