

Question

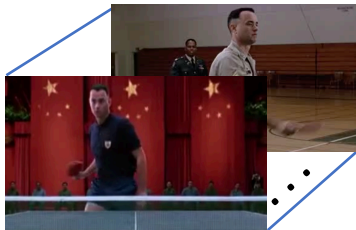

Which sport does **Forrest** compete with **Chinese** team?

Subtitle

01:14:18 --> 01:14:21
... all I did was play Ping-Pong
01:14:27 --> 01:14:30
Here he is, Forrest ...

Video

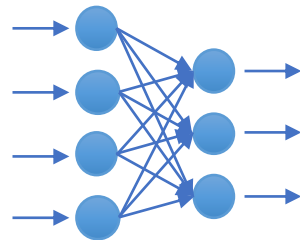

Plot

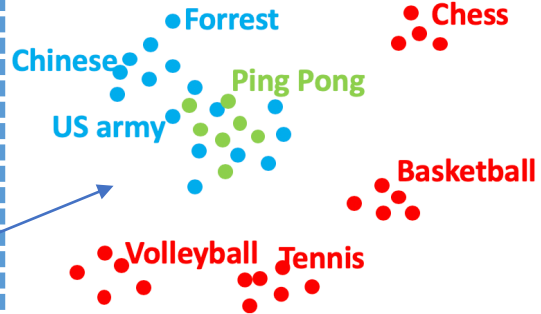

... an aptitude for **ping pong** and begins playing for the **U.S. Army** team, competing against **Chinese** team

Word2Vec

OUR MODEL

Uses a single layer perceptron + well tuned Word2Vec trained on movie plots and doesn't use any other information like videos or subtitles

Good Word2Vec is able to capture enough semantics to answer half the questions in dataset

Answer choices

- A1: Volleyball
- A2: Basketball
- A3: Ping pong
- A4: Tennis
- A5: Chess
