

No. 2.1a: I think the fingerprint scanner was too slow.

No. 2.1b: I found it hard to take the right position for the recording process.

No. 2.1c: I found it hard to keep the position for the recording process.

No. 2.1d: I always knew if the recording process was in progress.

No. 2.1e: I would consider using this capturing device in public places.

No. 2.1f: I found the recording process comfortable.

No. 2.1g: I have hygienic concerns about using the capturing device.

—●— touchless capturing device —●— touch-based capturing device
