

Input: action, 4x1 vector

Action Encoder

FC, in=4, out=80

ReLU

FC, in=80, out=80

ReLU

Output: latent action, 80x1 vector

Input: latent action, 80x1 vector

Action Decoder

FC, in=80, out=80

ReLU

FC, in=80, out=4

Sigmoid

Multiplication

Addition

Output: reconstructed action,
80x1 vector
