

## 1 Enter search terms »

pandemic OR covid\* OR coronavirus

Media Cloud will return stories that match your search query. We use standard boolean search syntax. [Learn more about writing boolean search queries.](#)

## 2 Select your media »

US Center Left 2019

Choose individual sources or collections to be searched. Our system includes collections for a large range of countries, in multiple languages. [Learn more about choosing media.](#)

ADD MEDIA

## 3 Enter dates »

2020-01-01 to 2020-11-30

Enter your inclusive date range. Our database goes back to 2011, however the start date for different sources and collections can vary. Click on a source or collecton to learn more about when we added it.

# Attention Over Time

Compare the attention paid to your queries over time to understand how they are covered. This chart shows the number of stories that match each of your queries. Spikes in attention can reveal key events. Plateaus can reveal stable, "normal", attention levels. Click a point to see words and headlines for those dates. Use the "view options" menu to switch between story counts and a percentage.
