

Speaker

Context:

I recently found out the girl I love may not feel the same way. This makes me sad.

I feel sad in this situation.

She knows that I feel sad in this situation.

Sad •--- *Emotional Consensus*

He feels sad in this situation.

I know that you feel sad in this situation.

Listener

Empathetic Response 1:

So sad, you can never force someone to love you. You will find the right person for you.

Empathetic Response 2:

That's heart-broken, I once had the same experience :(
