on a used car lot the engines  
have been stolen from all the  
cars

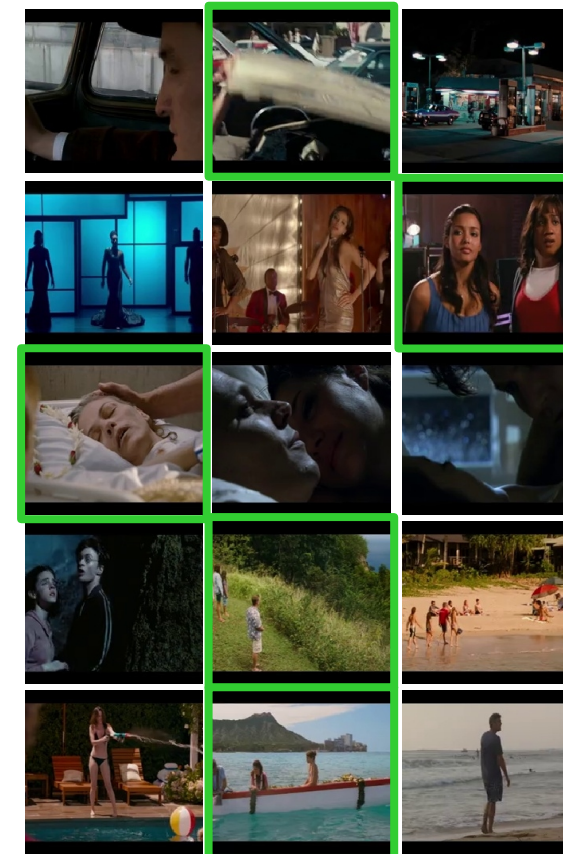

someone bows then exits the  
stage with the other dancers

resting his hand on his  
daughter 's head someone  
bends down and gives her a  
light kiss on the cheek

Hovering over the group our  
view turns away from the  
grassy ridge

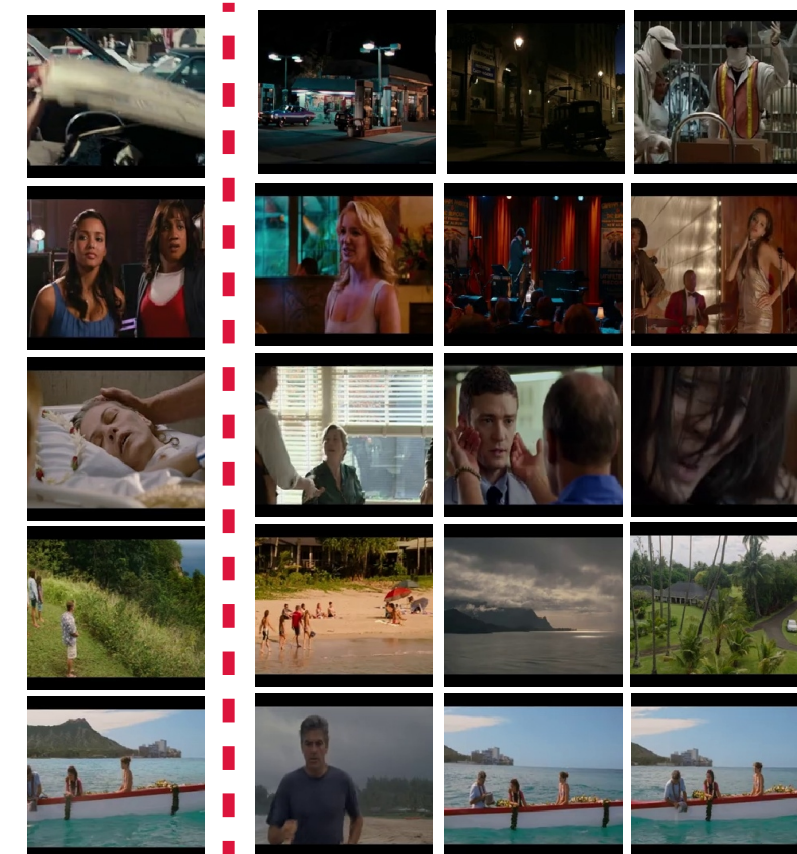

He taps the container  
against the side of the canoe  
to empty it
