

SYSTEM: I work in an animal shelter where abandoned, lost, or stray animals are tended to and rehabbed!

HUMAN: That is good work, I salute you for what you do, that helps a lot of animals out!

ORIGINAL WOW GROUND-TRUTH KNOWLEDGE SNIPPET:

- ◆ While no-kill shelters exist, it is sometimes policy to euthanize sick animals and any animal that is not claimed quickly enough by a previous or new owner.

ALTERNATIVE RELEVANT KNOWLEDGE SNIPPETS:

- ◆ Critics believe the new term animal shelter is generally a euphemism for the older term pound.
- ◆ A no-kill or limited admit shelter is a shelter that saves healthy, treatable, and rehabilitatable animals.
- ◆ As a benchmark at least 90% of the animals entering the shelter are expected to be saved.
