

A Venn diagram illustrating the relationship between two sets, A and B, and their common elements, all within a larger context of 'Unknown'. The diagram consists of three nested ellipses. The outermost ellipse is light orange and labeled 'Unknown' at the top. Inside it are two overlapping ellipses: a teal one on the left labeled 'A's' and an orange one on the right labeled 'B's'. The intersection of these two inner ellipses is a darker brownish-orange color and is labeled 'Common'.
