The diagram illustrates a measurement system. On the left, a blue rounded rectangle is labeled '3-Axis GMR Magnetometer'. A horizontal line connects it to a large orange rounded rectangle on the right labeled 'Camping Tent'. Above this line is the text '9 - 12 m' with a break symbol (two parallel diagonal lines). Inside the orange rectangle, a blue rounded rectangle labeled 'Laptop Computer' is connected to a blue rounded rectangle labeled 'Battery' by a horizontal line. A blue oval labeled 'GPS' is also connected to the 'Laptop Computer' by a line that goes up and then down.
