

Classical  
Upper Subroutine

```
graph TD; A[Classical Upper Subroutine] --> B["(Classical-IO) Quantum Lower Subroutine"]
```

The diagram consists of two rectangular boxes. The top box is light blue with a thin blue border and contains the text 'Classical Upper Subroutine'. The bottom box is light green with a thin green border and contains the text '(Classical-IO) Quantum Lower Subroutine'. A black arrow points from the bottom edge of the blue box to the top edge of the green box, indicating a call or interaction from the upper subroutine to the lower one.

**(Classical-IO) Quantum  
Lower Subroutine**
