[[Family Relationship] You come from a close-knit family. Your parents have always supported your artistic pursuits and encouraged you to follow your dreams...)

My parent are kindly to always encourage me to follow my dream. But I really afraid to make them disappointed.

[[Family Relationship] You come from a close-knit family. Your parents, are both professors in psychology...)
I understand completely. I come from a similar family background as yours... Their advice has given courage for me to break free and pursue my own path.
