

A diagram showing a sequence of three convolutional layers. Each layer is represented by a blue-outlined rectangle. The first layer is labeled '3x3 Conv, 640'. The second layer is labeled '3x3 Conv, 640'. The third layer is labeled '3x3 Conv, 4.5N'. Blue arrows indicate the flow from left to right between the layers, and an arrow points out from the right side of the third layer.

3x3 Conv, 640

3x3 Conv, 640
