

### **Bias attribute: lexical overlap**

**Premise:** We have Kroger but not a Skaggs.

**Hypothesis:** We have a Kroger but no Skaggs.

**Premise:** And no surprise, the bugger was already inside.

**Hypothesis:** The bugger was inside.

### **Bias attribute: presence of negation**

**Premise:** I didn't hear what Mr. Inglethorp replied.

**Hypothesis:** Mr. Inglethorp **never** said anything back.

**Premise:** That's the only way to keep you from being punished.

**Hypothesis:** There's **no** way to keep you from being punished.
