<Man>A man wearing blue shorts is **hanging while holding a wooden stick with his right hand tied to a string** hanging on the tree. He **tries to hold onto the trunk of the tree with his left hand**, but he **fails and falls into the river**, and then he **starts laughing**. <Boat>A white boat is moving in the river. <Background>In the background, there is the sound of laughing, green trees, a sky with clouds, a white boat, a tree, and a river.

Question:Why did the guy **fall off the tree swing**?

Causal Reasoning:

Answer:The guy **tried to hold onto the tree trunk while on the tree swing**, but it seems that he **failed to grab onto the tree tightly enough**. As a result, he fell off the tree swing.

Question:What does the man do **after** he **fails to hold onto the tree and falls into the water**?

Temporal Reasoning:

Answer:After the man falls into the water, he **starts laughing**.
