

Decision support for equitable and inclusive policies and potential strategies to improve DAC

What affects DAC?

Identify the determinants and their effect to the DAC status

Where and when?

Identify DAC across geographic space and time

Data

- ACS data
- LODS data
- DOE Justice40

Our Study Focus

- What economic factors affect DAC (e.g., income, employment status, employment by industry)?
- Identify DAC across census tracts and block groups
- Identify DAC trend in historical years

Intervention Analysis

Obtain the strength and the direction of the relationship

Investigate the inferred relationship with the DAC data that are used in the DAC working definition

DAC Identification

DAC across census tracts

Downscaling: DAC across block groups

Historical DAC trend: DAC trend from 2013-2019
