

Query: House shows a picture of the patient to his team and they have concluded that maybe the two are not related by blood.

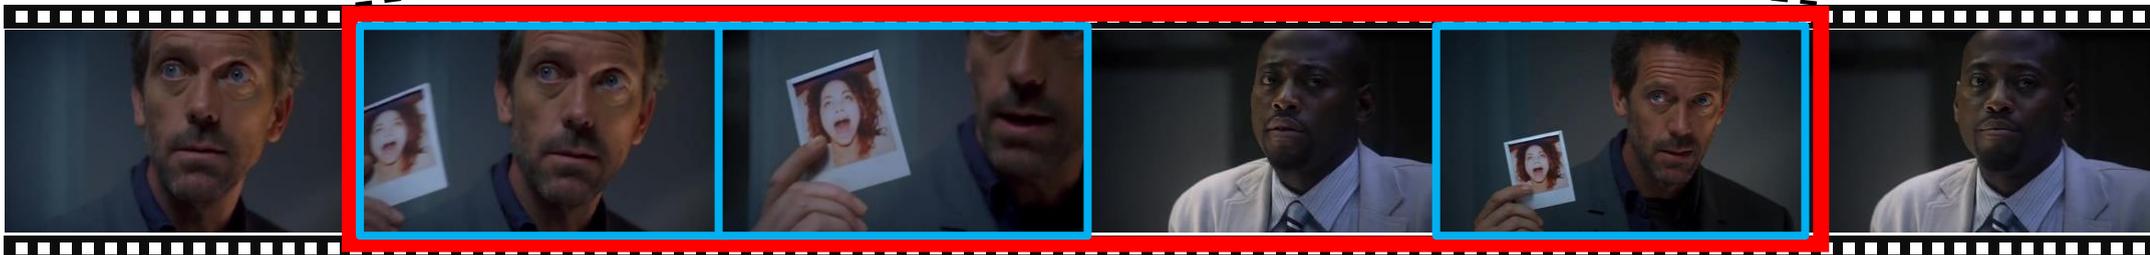

Corpus

Video

Moment

00:43:18→00:46:40  
House : Is it a coincidence  
that your sister has great hair,

00:47:12→00:49:42  
House : or that these two  
have green eyes?

00:51:31→00:55:14  
*Foreman : You're not saying...  
They're not brother and sister.*
