## Explicit needs

which category or type of apps you usually lean towards?

Sure! More often, I enjoy social and communication apps.

Do you prefer apps which offer customization options?

Not really, customizations do not matter much to me.

Alright! Based on your preferences, I would like to recommend TikTok to you.

## Recommendation

## Follow-up Q/A over recommended app

Does TikTok encrypt data over the network?

Yes, TikTok encrypts data in transit between devices.
