

Prompt:

How many traffic signs are there in the image?\\

How many traffic signs are there in the image?

The distance between the traffic sign in the image and you?\\

What is the content of the traffic sign in the image?\\

Observation:

There is **1 traffic sign** visible in the image. There are **no traffic lights** visible in the image.\\

The traffic sign is positioned on **the right side** of the scenario, **near the center of the image**.\\

[middle]\\

The image resolution and angle do not allow for the content of the traffic sign to be read. Therefore, I cannot provide the content of the traffic sign.
