## Interactions between Characters

### Multi-Turn Dialogues

Scene: NASA Headquarters is buzzing with activity as astronauts.

Emotion: Angry  
Topic: Complain

You know what really grinds my gears? It's gravity. You never truly appreciate it until it's gone.

Astronaut  
Zephyr Orion

Scientist  
Evelyn Cipher

That's an interesting perspective, Zephyr. Although, I think most of us here would miss our family and friends more than gravity.
