

## Case Content

*The defendant, Xu, in collusion with Zhang and others, operated a gambling den in vacation resorts and other locations, conducting mass gambling activities through a game known as "Bie Shi"... (Omitted details over 1000 characters) In July 2014, Xu and associates, in an attempt to recover gambling debts, detained the victim, He, in Rizhao City. During this period, He was subjected to physical assault...*
