

Mon.k's compos.itions and impro.vis.ations feature dis.son.ances and angular mel.od.ic tw.ists, often using flat nin.th.s, flat fifth.s, unexpected chrom.atic notes together, low bass notes and st.ride, and fast whole tone runs, combining a highly per.cuss.ive attack with ab.rupt, dram.atic use of switched key releases, sil.ences, and hes.itations.
